Your Plan

The Mosinee School District (the “District”) offers this 403(b) Plan to help you and other employees save money for your retirement. The 403(b) Plan is a type of tax-deferred retirement savings program. Future benefits from the 403(b) Plan will reflect the amount of a participant’s voluntary salary deferral contributions plus earnings. Vesting is immediate. Whether you choose to participate in the Plan is entirely up to you.

Although the plan is offered by the District, the Plan is not established or maintained by the District for purposes of the Employee Retirement Income Security Act of 1974, as amended (“ERISA”). Accordingly, the Plan and the District are not subject to ERISA.

Tax Treatment

The District intends to ensure that the Plan is qualified for preferential tax treatment under Internal Revenue Code (“IRC”) §403(b). Because you do not have to pay taxes on the amount of your contribution to a 403(b) plan for the year in which you contribute to the plan, investing in a 403(b) plan can lower your overall federal and state income tax burden—at least in the present. You can defer the income tax on your contributions until you begin making withdrawals from your account—typically when you retire. The earnings on your account also grow tax-free until withdrawal.

Contributions to the 403(b) Plan are reported annually on your W-2 forms, but are not included in income subject to taxation. Your 403(b) contributions are deducted from your gross salary and income taxes are calculated on your remaining pay. Employees do have the option with some vendors to have their contributions taken after taxes (Roth).

As described below, there are legal restrictions that limit how much you can contribute to the Plan each year. Someone from the District may need to ask you for information to show that your contributions are within these limits. You should consult with your own investment, tax and/or legal advisor about the ability to participate in the Plan. The District cannot provide you with this type of advice.

Participation

Every District employee is eligible to participate in the Plan. To participate, you need only: (1) fill out a Salary Reduction Agreement and (2) select the investment desired from a variety of mutual funds, from the list of District approved vendors. Employees are limited to changing their salary reduction amount twice per calendar year—in August and in December. However you may cease contributions at any time.

Salary Reduction Agreements

To participate in the Plan (or to change an existing contribution election), you must provide the District with a signed Salary Reduction Agreement. You must choose the whole dollar amount that you wish to contribute each payroll period. The Agreement must be signed by you and returned to the District before the start of the payroll period when your election or change will become effective.

Vendors

You can invest your deferral monies in a variety of different investment options. The Vendors through which the investment vehicles are available are approved by the District. Beginning January 1, 2008, you may only invest new deferral monies in those Vendors who have agreed by contract to conduct business with the District and the Plan. These Vendors are listed on the Approved Vendor List available from the District Office. After September 24, 2007, you will no longer be permitted to transfer assets to accounts of Vendors outside of the Plan; only those transfers received by District-Approved Vendors will be permitted.

Contributions and Limitations

While you may choose how much of your salary you wish to contribute to the Plan, your contribution must comply with all of the following legal limitations:

1. Annual Deferral Limitation

The first limitation applies to all of your elective deferrals from your salary to this Plan. Elective deferrals are contributions that you make instead of receiving all of your pay at that time. The elective deferrals under this Plan are not considered in conjunction with deferrals you make under the 457 Plan of the District.

For the 2017 tax year, all of your elective deferrals to this and all other plans (including SIMPLE plans, 401k plans and other 403(b) plans) cannot exceed \$18,000 per calendar year (unless you qualify for one of the catch-up contributions described below). This limit will be adjusted annually thereafter by the IRS.

2. Special Catch-up Contribution

If you have worked for the District for at least 15 years and have not contributed all of the excess contributions available under this, you can elect to make “catch-up” contributions, in addition to the salary deferrals you may otherwise be eligible for. The following box summarizes the rules that apply to “catch-up” contributions:

Catch-up Limitations (As of January 1, 2017)

Increase above the \$18,000 limit is the lesser of:

- (a) \$3,000; or
- (b) \$15,000 minus your prior “catch-up” contributions; or
- (c) \$5,000 times your years of service with the District minus prior years’ elective deferrals of the employee.

3. “50 and over” Catch-up Contribution

A participant age 50 or over (by the end of the calendar plan year) may defer additional amounts to the Plan as an additional “catch-up” contribution. For 2017, the additional catch-up contribution is \$6,000. (This means the total deferral contribution limitation for 2017 is \$24,000 for those over 50; or to those eligible for the Special Catch-up Contribution and over 50, a total of \$27,000 for 2017). Please Note: If you are eligible to elect the Special Catch-up and the 50 and over Catch-up, the Special Catch-up contribution must be utilized first.

Distributions

The law restricts the times when distributions are permitted from your accounts under the Plan. You may receive a distribution upon retirement from the District. The IRS requires complete severance from the District upon retirement, which means that if you are rehired by the District after you have retired, you must stop receiving distributions from your account during the time you are employed by the District after retirement.

You or your beneficiary may receive a distribution upon your death or disability.

Distributions are also permitted from the Plan upon: severance from employment with the District or attainment of age 59 ½. The Plan does permit you to take a hardship withdrawal from your account.

Loans

The plan does permit you to take loans from your account.
