

2016-17 MS NEW STUDENT HEALTH HISTORY & PERMISSION FOR OVER-THE-COUNTER MEDICATION AT SCHOOL

Student Name: _____ Sex: _____ Grade: _____ Birthdate: _____

Each time your child receives medication, he/she will be given a note stating when and what was administered. I give my permission for the following medication to be given to my son/daughter in the Health Room.

Please CHECK (✓) all medications that school may give:

- Acetaminophen Chew (e.g. Tylenol): one dose every 4-6 hours - dose by age/weight
Junior Chewable: 160 mg tab; Regular Strength: 325 mg tab; Extra Strength: 500 mg tab
- Ibuprofen (e.g. Advil): one dose every 6-8 hours - dose by age/weight
Junior Chewable: 100 mg tab; Regular Strength: 200 mg tab
- Pseudoephedrine (e.g. Sudafed): 30 mg tablet, one dose every 4-6 hours
Less than 12 years old: one tab; 12 years old and older: two tabs
- Throat lozenge/cough drop: one every 4 hours
- Tums: 2-4 chew tabs as needed

I give my permission for the treatment and care of minor illnesses and injuries, including application of eye drops, removal of splinters, application of insect repellent and sunscreen.

I authorize health information for disclosure to necessary school and/or medical staff to aid appropriate health care.
