

Registration Steps:

- Click on "*Subscriber Registration*" on the right side of the page.
- Fill out the information required on the page (*Date of birth must be entered as mm/dd/yyyy with the slashes*).
- Click "*Submit*." You will receive a message thanking you for the registration and you will be advised to check your email to complete your registration.
- Open the email and click on "*Continue Registration*." Verify account information and then click "*I Agree*."
- You will be prompted to choose a username and password. The password chosen must be verified and a security question must be set. Click "*Submit*" to complete account creation.

Finding Providers after Registration:

- Visit the NVA website.
- Enter username and password to login.
- Click on "*Find a Provider*" on the left side of the page.
- Search by city, state, or zip code – within a 30 mile radius.
