Please review the rules and expectations with your child and please contact us if we may be of assistance. Students who violate school rules that jeopardize their safety or that of their peers (i.e. weapons, illegal drug and or unauthorized prescription drug use, possession, sale, etc.) may be expelled until they are 21 years of age without educational services provided by the Mosinee School District. It is highly unlikely any other public school in Wisconsin will enroll a student while under an expulsion order.

Parents/Students

I have read and understand the contents of the Mosinee High School Student Handbook Planner. I understand that by doing so, I am bound by the rules and regulations that are contained within it.
