Thomas A. Dalton

Dear parent or guardian:

Mosinee High School works hard to provide all our parents with a variety of valuable tools and resources that can make parenting easier.

Unfortunately, peer pressure to try drugs, alcohol, or tobacco doesn't end when kids say no. In fact, pressure can *increase* when "friends" *try harder* to make kids feel like dorks, wimps, chickens, or outcasts when they don't go along with the crowd. It doesn't have to be that way.

When kids say the words "my parents test me" it's the equivalent of saying I'm 100% certain I'll get caught, get in trouble, and asked where I got the stuff. TestMyTeen.com can help you provide your child with a socially acceptable excuse that can stop pushy peers in their tracks. It also gives you access to helpful information and testing kits for detecting drugs, alcohol and tobacco in the privacy of your own home.

Additionally, since TestMyTeen.com has a revenue sharing program, a portion of the proceeds from your purchases go to support our school's substance abuse education programs.

Thanks for your consideration and support! We all want our students and our sons and daughters to be safe. We believe this is one more tool that parents may find to be effective in helping them protect their child from making dangerous health and safety decisions.

If you are interested in a voucher for a free testing kit please contact the High School at (715)693-2550.

Sincerely,

Raymond G. Przekurat
Associate Principal
Mosinee High School
