

# Mosinee Middle School 2011-12 Supply List

Please bring these supplies to Open House on August 25 so they are here for the first day of school. Many of these supplies will also need replacement throughout the school year. With all of the deals available in the summer, it may be a good idea to get extras. In addition, we would like each child to have a good-quality dictionary to keep and use at home. Enjoy the summer!
