

Mosinee Middle School 2016-17 Supply List

Please bring these supplies to Open House on August 25. Many of these supplies will also need replacement throughout the school year; it may be a good idea to get extras right away. Please note that all students will need a good set of headphones in order to complete state testing in April, and possibly for other purposes during the year. In addition, we would like each child to have a good quality dictionary to keep and use at home. Enjoy the summer!
