H1N1 Community Clinics

As of 12/23/2009

Marathon County Health Department will be offering H1N1 vaccine, **free of charge**, at the following locations. All clinics will be run on a walk-in basis—no appointments. Please dial 2-1-1 to ensure the clinic on any given day is still being held, as we may need to postpone clinics due to inclement weather or vaccine supply. These are the last opportunities for H1N1 vaccination provided by Marathon County Health Department.

Everyone is encouraged to present for vaccination, if you have not already received the H1N1 vaccination.
