I hereby give permission to staff designated by the school principal or nurse to give the above medication to my son/daughter according to the instructions stated above and authorize them to contact the practitioner, if necessary.

Parent/Guardian Signature: _____

Date: _____

It is understood that:

1. All medications must be in an original container. Original pharmacy container must include the student's name, name of medication, dose, and time of administration on the label. Over-the-counter (OTC) medication must be in the original bottle/box/container and must include dosing instructions (quantity and frequency of administration with age). Meds sent in baggies, Tupperware, etc. will NOT be given.
2. Whenever possible, medication will be administered at home, before and/or after school hours.
3. Whenever there is any change in instructions for the above medication/s, a new form MUST be completed. A new form must also be completed for each and every school year.
4. Students who self-carry medications are responsible for taking these medications on all field trips.
5. Students will be sent by rescue squad to the emergency room after using an Epi Pen or Glucagon.
