

## TAX LEVY AND RATE

The Mosinee School District 2023-24 Budget includes State Aid of \$14,612,638 and a total tax levy of \$9,521,648t. The levy is distributed to the nine (9) taxation districts within the Mosinee School District. The levy is distributed based on the property valuation of each taxation district as a percentage of the entire equalized property value of the District of \$1,609,054,203. Dividing the total levy by the equalized property values\* results in a levy rate of \$5.91. A levy rate of \$5.91 would result in a tax of \$591 per \$100,000 of property. See chart below for the value of each taxation district.
