Learn to Play Piano by Ear

Learn one of music's deepest mysteries: how to play songs without relying on sheet music. This class will provide a very practical presentation of music theory that includes predicting chord progressions, learning from recordings, and transposing, all expressed in everyday language. This is an ideal follow-up to the "Instant Piano" class and is ***open to anyone who has a basic understanding of chords on any instrument***. Expand your musical horizons and free yourself from sheet music dependence. Fee includes the online book, online follow-up lessons, a recording of the class, and an optional monthly question and answer session.

***Class is held online using Zoom.**
