

## **MOSINEE SCHOOL DISTRICT CAREER AND TECHNICAL EDUCATION PROGRAM**

The District's curriculum will provide every student with the opportunity to participate in learning experiences, to explore potential careers and, when appropriate, acquire the occupational skills necessary for the transition from school to the world of work.

For purposes of this policy, "career and technical education" shall be defined as a program designed to provide educational experiences and guidance for students to plan and prepare for a future:

- A. In the labor market as employable individuals immediately after graduation with productive, saleable skills;
- B. In education beyond high school with the opportunity to gain a marketable job skill(s) that will assist them in achieving career goals;
- C. In the world of work while continuing their education in order to help offset higher education expenses.

The Board shall provide a career and technical education program which shall include:

- A. Technology and Engineering Education;
- B. Agricultural Education;
- C. Family and Consumer Education;
- D. Business Education;
- E. Marketing Education;
- F. Health Education.

The Board directs that any efforts to recruit students to participate in a particular career and technical education program must include literature and comparable recruitment efforts for students with disabilities in a format and context in which they can communicate.

The career and technical education program may also include a shared-time program outside of school and/or a work-study program involving the employment of qualified students.

The Mosinee School District does not discriminate on the basis of race, color, religion, national origin, ancestry, creed, pregnancy, marital status, parental status, sexual orientation, sex, (including transgender status, change of sex or gender identity), or physical, mental, emotional, or learning disability ("Protected Classes") in any of its student programs and activities.
